Coordinator: Kevin Lucas Past President:
Denise Miller

Wow!! FAB has exciting news for You. FAB is working hard to come up with great ideas and new ways to benefit our kids. Gordon Food Services and FAB are working together to give our kids more. The FAB fun funds program allows you to shop at **any** GFS location and a percentage of proceeds will come back to our kids through the FAB program each quarter.

We continue to purchase items to support our kids and give them more. Items such as a Softball-pitching machine, weight equipment, the baseball concession stand, a camcorder, uniforms, sports bags, track equipment and a track sign. These are just a few items that, you, as a community have successfully given our kids. FAB would like to say "**Thank You**" for all your hard work from just buying a hotdog to volunteering your time in any way you can.

Here's just another way we can press on for our kids and it's free! Just fill out FAB fun funds post card and take it to any GFS store location and start shopping today. And don't forget your \$10.00 coupon. If you have friends or family members that would like to help support our kids, they are more than welcome to join. We have extra registration cards at the school's office. Have a **Merry Christmas** and a great New **Year!!!**
