We say that “FAB” purchased these items but, really, you, the people of Constantine, purchased these items. Without our volunteers and donors, FAB would not exist. These are items that the school could not purchase but were really needed by different sports.

FAB is a 501c(3), not-for-profit organization. Donations are tax deductible and all donations and fund raising monies go directly back to FAB. All Board Members and Coordinators are strictly volunteer positions.

We cannot say “Thank You” enough to the people of Constantine, our donors and volunteers, our schools and staff, our coaches, our athletic department, and our board members and coordinators. These people have been an intricate part of FAB and their service and commitment are priceless.

One way that we are showing our appreciation is through our “Volunteer Appreciation Party” in the Spring of 2008 during National Volunteer Week. Details will follow and we hope to see you there!
