Items of Discussion

Having Auction at School (auditorium) instead of Legion.

Start Auction earlier in the afternoon or have it in the morning - set up a viewing time for individuals to see items up for auction before the dinner or auction starts.

Keep Auction in the fall.

Keep Auction items in old Middle School as long as the building is still available.

Look for individuals to take over planning etc. of Auction.

- Food (Kevin Lucas), Decoration (Linda Wolf), Advertising, Item set up, Item moving, Setting up book of items, Servers/Drinks (5 people), Cooks (3 people)

Auctioneer suggested having videos to play/watch for smaller children that are there with parents. Maybe have Cheerleaders donate their time to help "Baby-sit" with these children.
