

2nd Annual Constantine Middle School Service Project

The Constantine Middle School is, once again, conducting a drive to collect materials to be shipped to soldiers serving overseas. We hope to have enough collected to send a shipment by December 10th (in order for the materials to arrive in time for the holidays). In addition to the items listed below, we are also writing letters and collecting money in order to help defray the cost of shipping. Donated items can be delivered to Room 13.

We know of some soldiers from Constantine — if you know of others connected to Constantine that you'd like to add to our list, please let us know by sending the information to Beth Klebba at Constantine Middle School. We appreciate your help in brightening the holidays of these worthy men and women!

Needed Items
